

# How do I reset my Password Reset Questions?

1. Log in to **Ozone** using your Owens username and password.

**Current Users**

---

Username:

Password:

**SUBMIT**

Prompt me before logging into other CAS protected sites.

2. Click on the **Set My Security Questions** link in the My Password Info portlet.

**My Password Info**

Hello ,

Your password is **not expired**.  
It will expire in 96 days.

[My Password History](#) | [Change My Password](#) | [Set My Security Questions](#) | [IT Help Desk](#)

3. Fill in ALL of the response fields. (The words show up as black dots) Make sure your responses are something you will remember and that everything is spelled correctly.

In the event that you forget your password, you can recover your password by answering questions known only to you.

Please choose your questions and answers that can be used to verify your identity in case you forget your password. Because the answers to these questions can be used to access your account, be sure to supply answers that are not easy for others to guess or discover.

Your responses meet the requirements. Click Save Responses when ready.

What is your favorite color? ▼

» .....

What street did you grow up on? ▼

» .....

What is your childhood pet's name? ▼

» .....
