

How do I view the Course Catalog online?

1. Go to the Owens website and locate the box that says **Trending**.

The screenshot shows the Owens Community College website. At the top, there is a navigation menu with links for 'About Owens', 'Academics', 'Future Students', 'Current Students', 'Community', and 'Alumni & Donors'. Below the navigation is a large banner with the text 'Ready. Set. Go! Owens is the answer. Apply today!' and a photo of a smiling man. A large white arrow with a red outline points down from the banner to a 'trending' menu box. The 'trending' menu box is highlighted with a red border and contains the following items:

trending	calendar
Blackboard	Log in to your courses
Ozone	Student site. Register for class, check financial aid and more!
College Catalog	2012-2013 online catalog
Class Schedule	Search for courses
Maps & Directions	Building and Campus maps
Oserve	Financial Aid, Records, Student Accounts
Academic Calendar	View important College dates
Online Registration	View registration information and resources
Bookstore	Owens books & merchandise

Below the 'trending' menu is a navigation bar with 'APPLY TODAY!' and a search box. The main content area features a 'Welcome to Owens!' section with a paragraph about the college's mission and a list of programs offered: associate degree, certificate, and professional development.

2. Click on **College Catalog**.

The screenshot shows the Owens College website. At the top, there is a dark red navigation bar with the text "APPLY TODAY!" and a search box. Below the navigation bar, there is a menu with two tabs: "trending" and "calendar". The "trending" tab is active, and a dropdown menu is visible. The dropdown menu lists several options, with "College Catalog" highlighted by a red box. The "College Catalog" option is linked to "2012-2013 online catalog". Other options in the menu include "Blackboard", "Ozone", "Class Schedule", "Maps & Directions", "Oserve", "Academic Calendar", "Online Registration", "Bookstore", "Employment at Owens", and "Library". To the right of the menu, there is a "Welcome to Owens!" message. The message states: "Owens is a community college that focuses on your success; in fact, it's our mission. We have resources to get you on the career path you've always wanted and provide you with convenient class times and caring faculty. We like to keep our classes small and our value big. Owens offers an affordable, quality education to those seeking an associate degree, certificate or professional development."

3. Scroll down to pick the school you would like to view. (ex. **School of Arts and Sciences**)

The screenshot shows a list of schools on the Owens College website. The list is titled "Interdisciplinary Studies" and includes the following schools: "School of Arts and Sciences", "School of Business", "School of Health Sciences", "School of Nursing", "School of Public Safety and Emergency Preparedness", and "School of Technology". The "School of Arts and Sciences" option is highlighted by a red box.

4. Find the program you would like to view. (ex. **Associate of Science General Concentration, AS**)

The School of Arts and Sciences offers transfer associate degree programs in conjunction with area four-year colleges and universities. Students can choose a general concentration or a more specialized area, such as English literature, history or biology. Courses taken at Owens Community College parallel the freshman and sophomore courses normally found at a four-year college or university. In addition, the School of Arts and Sciences complements the College's technical curricula with courses that build the General Education competencies — quantitative reasoning, written communication, oral communication, critical thinking, social responsibility and information literacy — thus preparing students for an ever-changing world.

For more information, visit the [School of Arts and Sciences website](#).

Note:

Successful completion of a program of study at the College does not guarantee licensure, certification, employment in a relevant occupation, or transferability/admission to other educational institutions or programs.

Degree Offered:

Associate of Science

Campus Offered:

Toledo and Findlay

Credits Required: 61-77

Associate of Science General Concentration

This concentration is designed to prepare students for transfer to a four-year college or university and is the equivalent of the freshmen and sophomore years of a Bachelor of Science Degree program. For students who do not have a decided interest in one field of study, the concentration provides a broad knowledge of liberal arts in general while emphasizing mathematics and science. Liberal arts elective courses give the student the flexibility to choose from a number of transferable courses.

Student Learning Outcomes consist of the [General Education Core Competencies](#).

Career Interests:

Students pursuing this degree may have an interest in engineering, mathematics, psychology, science, computer science or pre-medicine.

Transfer Information:

Transfer institutions may require different courses for this transfer program. Students should tailor their Owens program as closely as possible to the requirements at their four-year school of choice. Meet with an Advisor for more information.

Note:

Students should take any Science, Arts and Humanities, Mathematics, or Social and Behavioral Science courses that are approved for the Ohio Transfer Module (OTM) or the Transfer Assurance Guide (TAG) found on the [Ohio Board of Regents \(OBR\) Course Reporting System](#).

Required Courses

1st Semester

- **ENG 111 - Composition I - *Ohio Transfer Module Course** Credits: 3(Lec: 3)
- MTH ____ - Math Elective Credits: 3 to 5(Lec: 3 to 5)²
- SPE ____ - Speech Elective Credits: 3(Lec: 3)³
- _____ - Computer Elective Credits: 1 to 4(Lec: 1 to 4)¹
- _____ - Social and Behavioral Sciences Elective Credits: 3(Lec: 3)⁴
- **FYE 121 - Foundations for College** - Credits: 2(Lec: 2) ¹¹

15-20 credits

2nd Semester

- **ENG 112 - Composition II - *Ohio Transfer Module Course** Credits: 3(Lec: 3)
- _____ - Social and Behavioral Sciences Elective Credits: 3(Lec: 3)⁴
- MTH ____ - Math Elective Credits: 3 to 5(Lec: 3 to 5)²
- _____ - Science Elective Credits: 3 to 5(Lec: 2 to 4 Lab: 0 to 3)⁵
- _____ - Arts and Humanities Elective Credits: 3(Lec: 3)⁶

15-19 credits

3rd Semester

- _____ - Diversity Elective Credits: 3 to 4(Lec: 3 to 4)⁷
- _____ - General Education Elective Credits: 3 to 4(Lec: 3 to 4)⁸
- _____ - Lab Science Elective Credits: 4 to 5(Lec: 4 to 5 Lab: 3)⁹
- _____ - Social and Behavioral Sciences Elective Credits: 3(Lec: 3)⁴
- _____ - Arts and Humanities Elective Credits: 3(Lec: 3)⁶

16-19 credits

4th Semester

- _____ - Arts and Humanities Elective Credits: 3(Lec: 3)⁶
- _____ - Global Perspective Elective Credits: 3(Lec: 3)¹⁰
- _____ - Science Elective Credits: 3 to 5(Lec: 3 to 5)³
- _____ - Social and Behavioral Sciences Elective Credits: 3(Lec: 3)⁴
- _____ - General Education Elective Credits: 3 to 5(Lec: 3 to 5)⁸
