

# How do I access my email from my Otech system?

You can access your email by visiting [ozone.owens.edu](http://ozone.owens.edu) using your web browser (either Chromium or Firefox) or you can use Thunderbird Mail. Thunderbird Mail is an email management program that functions similarly to Microsoft Outlook.

1. Click the **Start button** in the lower left hand corner of your screen.
2. Mouse over **Internet** and click on **Thunderbird**.

For more information on Thunderbird, please visit their official support page:
