

How do I stop the Otech Tutorial Webpage from popping up whenever I log in?

The Mozilla Firefox web browser is set up to launch a local web page when a user logs into each system. This page is designed to give you helpful information through tutorials and tips.

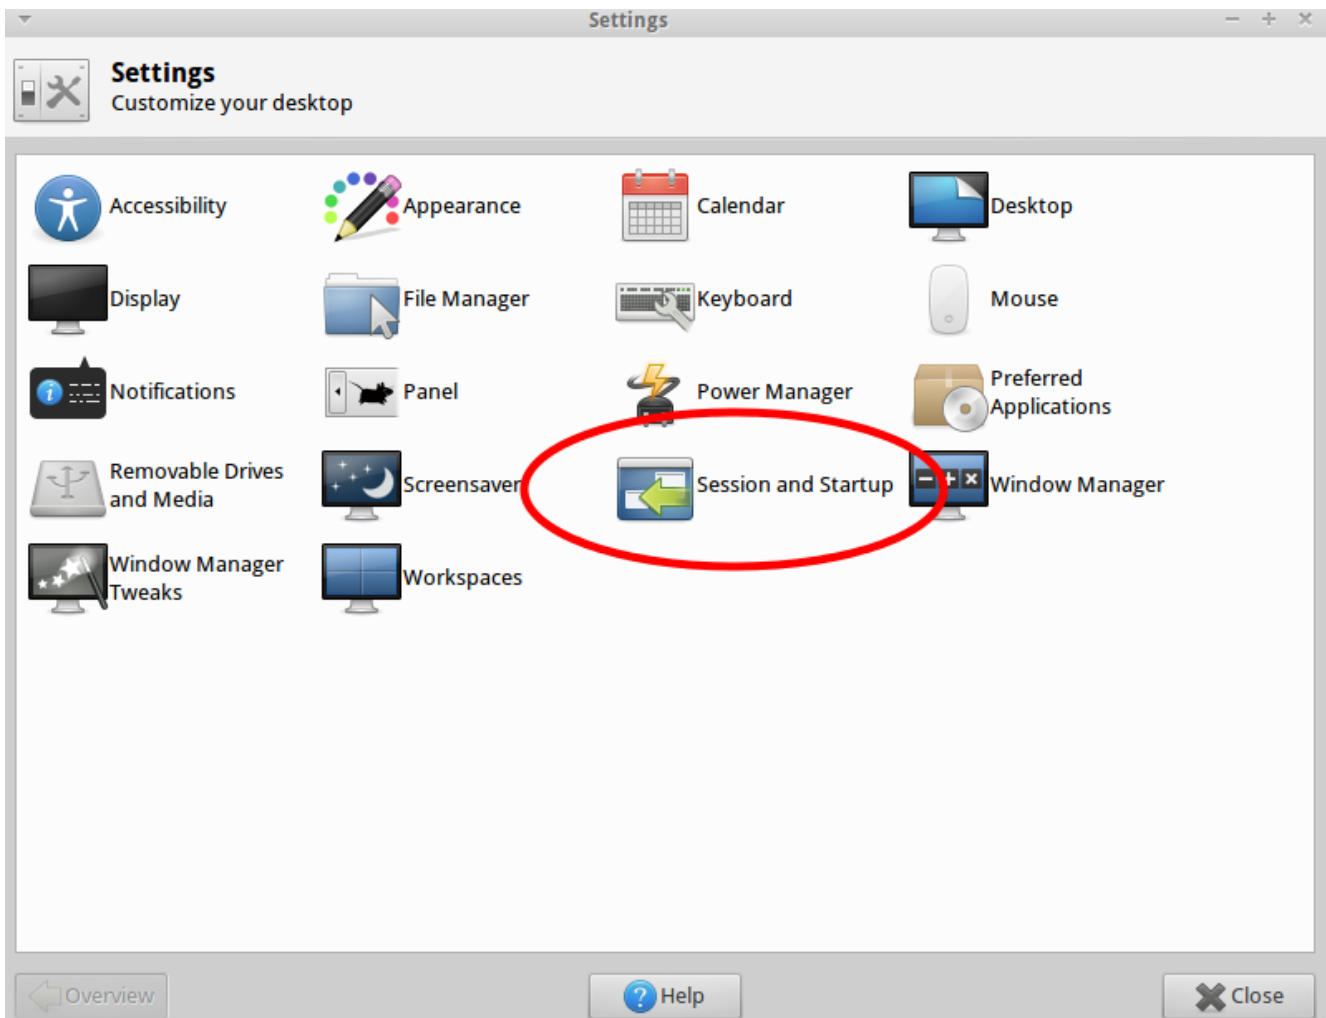

To turn off the Tutorial Webpage:

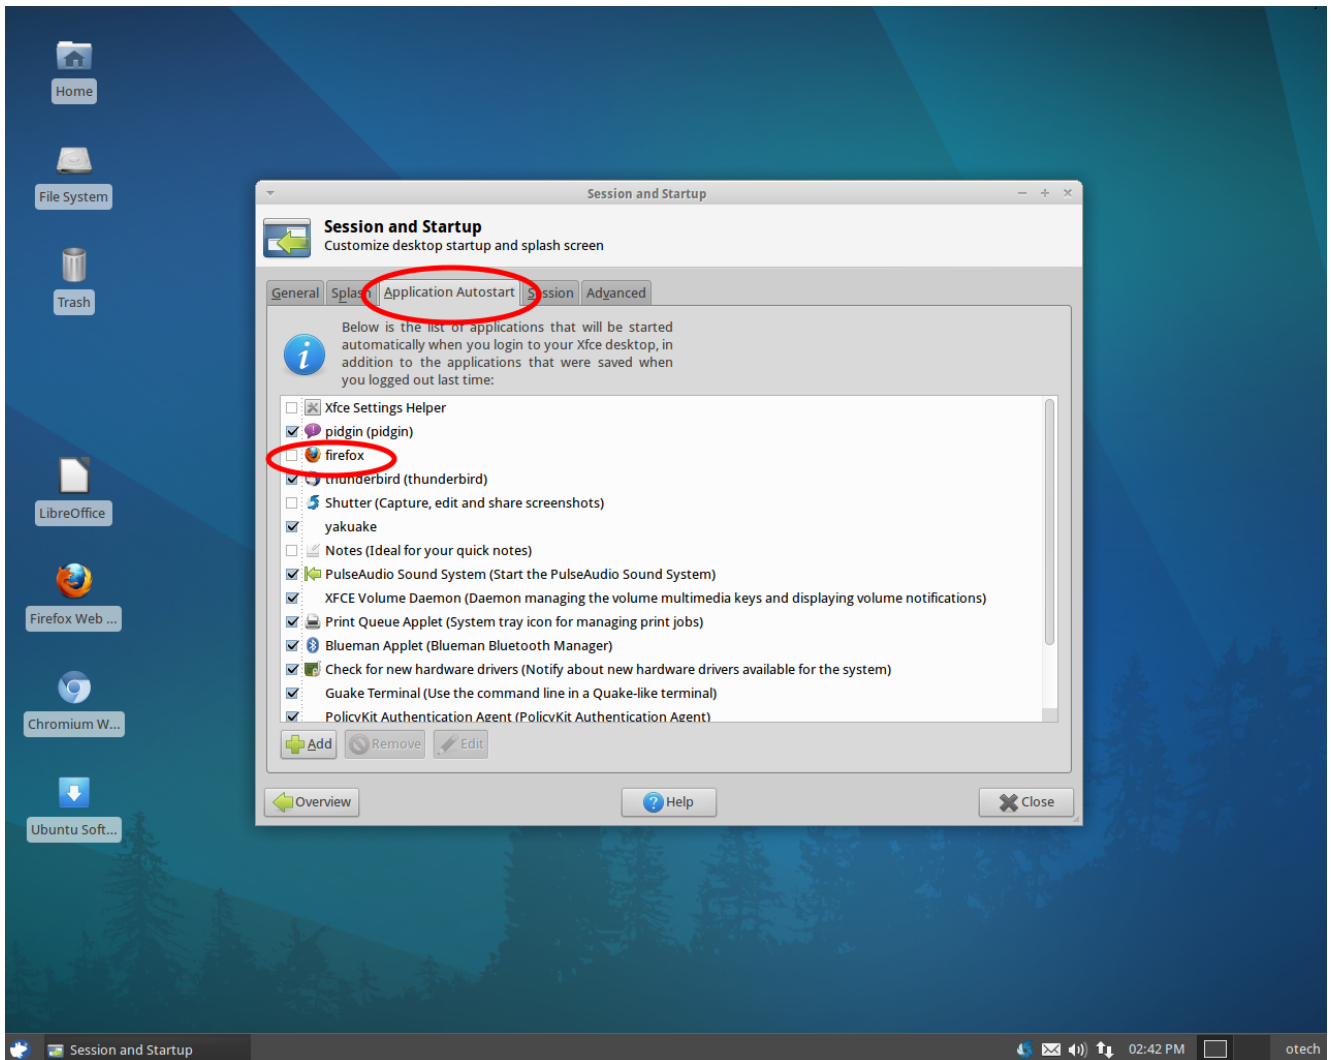

1. Click on the **Start** button in the lower left-hand corner of the screen.
2. Mouse-over **Settings**.
3. Click on **Settings Manager**.

4. Double-click on the **Session and Startup** icon in the window that pops up.

5. Click on the **Application Autostart** tab.
6. Uncheck the box next to **Firefox**.

7. Click **Close**.
