

# What is Satisfactory Academic Progress?

To remain eligible for federal financial aid, students are required to meet Satisfactory Academic Progress (SAP) standards. Being eligible to enroll in classes does not mean the student has an eligible SAP status for financial aid. Visit

[https://www.owens.edu/financial\\_aid/progress\\_policy.html](https://www.owens.edu/financial_aid/progress_policy.html) to read the entire Owens SAP Policy. You can check your SAP status using Ozone. Click on the Financial Info tab, then click on the Satisfactory Academic Progress Status link. Please contact Oserve with questions.
