

How much is my bill? When is it due? How can I pay?

January 2, 2018 is the due date for Spring 2018 balances.

Owens Community College does NOT send paper bills. From your Ozone account, check your 'Financial Info' tab to view your semester balance.

By the semester due date students must be paid in full, have a Deferred Payment Plan in place and make the first payment, turn in all materials needed for Third Party Billing, or have financial aid in place and pay any remaining balance that aid will not cover.

You may pay your bill 24 hours a day, 7 days a week, using a credit card or electronic check through your Ozone account. From the Ozone home page, click the Financial Info tab. In the Account Information section, select the Pay Online link, then click View & Pay Accounts, and click Make Payment. Select the semester in which you would like to make a payment and follow the prompts to complete the payment. This is the fastest and most secure way of making a payment.

If you are using cash, check, or money order, you may place a payment in the secure payment drop box on either the Toledo or Findlay campus. In Toledo the payment drop box is located in the hallway. Please note there is construction going on inside College Hall and Oserve is temporarily located in Founders Hall.

In Findlay, the payment drop box is located outside the main entrance to the Student Service Office suite. Please use a 'payment envelope' when making your payment.

Students who do not have a payment method in place or are not paid in full by the semester due date are subject to being dropped from their semester classes and must go through the Re-Admission process, and pay a \$150 non-refundable fee, to be re enrolled.
