

How do I apply for graduation? When should I apply for graduation? How will I know if I am approved for graduation?

Graduation applications are available the first day of registration for the term you are completing your requirements; deadlines and fees apply. Applicants are approved pending final grades. You will receive an approval email, delivered to your Omail account, with more information. Information about commencement is mailed approximately four weeks prior to commencement.

Email graduation@owens.edu with questions regarding graduation requirements and the commencement ceremony.
