

What happens if my GPA falls below a 2.0?

If your overall GPA falls below a 2.0, you will be placed on academic probation, which will require you to speak with your advisor about signing up for classes. Your advisor will help you work on an academic plan to help you get back into good standing. When your overall GPA is below a 2.0, you will not be able to register or make schedule changes through your Ozone account without your advisor's assistance.
