

# How do I create a Google Doc (document)?

1. From your Gmail+ screen, click on the **square symbol** in the upper right-hand corner.

2. Click **Drive**.

3. Click **Create**.

## Drive

CREATE

▶ My Drive

Shared with Me

Starred

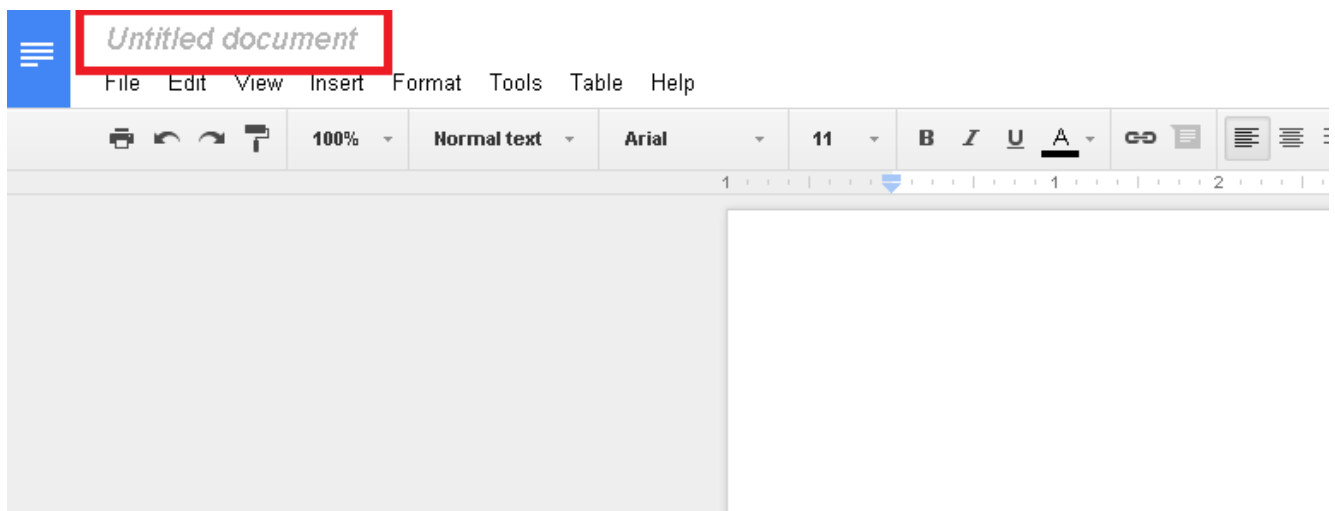

**Recent**

More ▾

Connect Drive to  
your desktop

4. Click **Untitled document**.

5. Type in what you would like to name your new document and click **OK**.

6. Google Docs automatically **Saves** your changes.

7. When the message **All changes saved in Drive** appears, it is safe to close out of your document.

8. Your document will now appear in your Google Drive.
