

Where can I find help to make sure that my computer is ready to take tests in Blackboard.

To make sure that both you and your computer are ready to take tests in Blackboard, review the attached pdf file from e-Owens, [test tips](#) document for guidance on optimizing your testing experience.

For additional tips refer to the [Official Blackboard Help Site](#). Also, you may refer back to the information you learned in the [2014 Web Course Preparation Requirement](#).
