“Grab ‘n Go Catering” – Food that is delivered to or purchased off campus and brought to

campus is considered Grab 'n Go catering. This type of catering does NOT have to come from an Owens approved catering company. Only when the company is physically setting up the meal and serving it does it need approval. The organization or group who has scheduled the room will be responsible for picking up the order (or having it delivered), setting up the catering in the room and cleaning the room following the meeting. Examples of Grab 'n Go catering are:

Panera Bread

Pizza Shops

Subway

Tim Hortons

Jimmy Johns

Additional caterers can be considered as requested and approved
